XI IMPLANTOLOGY CONGRESS

**Scientific evidence  
for everyday practice**

14th and 15th February 2020 | TeatroGoya Multiespacio | Madrid | Spain

# CONGRESS PROGRAMME

## Friday 14th February

HOUR	GOYA ROOM   AUDITORIUM	ERMITA DEL SANTO ROOM	DOS DE MAYO ROOM
9:00 - 11:15	Dentistry programme <i>Coffee break</i>	Prosthetics programme <i>Coffee break</i>	Science programme <i>Coffee break</i>
11:45 - 14:00	Dentistry programme <i>Lunch break</i>	Prosthetics programme <i>Lunch break</i>	Science programme <i>Lunch break</i>
15:30 - 17:45	Dentistry programme <i>Coffee break</i>	Prosthetics programme <i>Coffee break</i>	Digital Workflow <i>Coffee break</i>
18:15 - 20:15	Dentistry programme	Prosthetics programme	Digital Workflow

## Saturday 15th February

HOUR	GOYA ROOM   AUDITORIUM	ERMITA DEL SANTO ROOM	DOS DE MAYO ROOM
9:30 - 11:30	Dentistry programme <i>Coffee break</i>	Hygienist programme <i>Coffee break</i>	Clinic Management Course <i>Coffee break</i>
12:00 - 14:00	Dentistry programme <i>Closing</i>	Hygienist programme <i>Closing</i>	Clinic Management Course <i>Closing</i>

## Friday 14th February

- 8:00-18:00 h | Registration and documentation hand-out
- 8:55-9:00 h | Presentation of the XI Evidence Congress. **Mr. Ángel Mozo**

### THE CURRENT STATE OF PROSTHODONTICS

- 9:00-9:30 h | *Zirconia and Digital workflow. Separation of assets or property?* **Dr. Pablo Domínguez Cardoso**
- 9:30-10:00 h | *Synthesis as development of the prosthetic process* **Mr. Manuel Izquierdo Gutiérrez**
- 10:00-10:30 h | *How to be 100% digital in the rehabilitation of Implants. 3 STEPSMILE* **Dr. Eduardo Crooke**
- 10:30-11:00 h | *"Reliable" impressions in implant prosthetics: more than a debate between conventional or digital*  
**Dr. Guillermo Pradiés**
- 11:00-11:15 h | **ROUND TABLE** Chairpersons: **Dr. Miguel Roig** and **Dr. Imanol Donnay** 
- 11:15-11:45 h | *Coffee break* 

### LAST TRENDS IN IMPLANTOLOGY

- 11:45-12:15 h | *GapZero: Meaning and value* **Dr. Conrado Aparicio**
- 12:15-12:45 h | *Implantology in 2020, what has changed?* **Dr. José Nart**
- 12:45-13:15 h | *Which implant-abutment connection system ensures success in oral rehabilitation? Comparative Studies* **Dr. Carlos Larrucea | Chile**
- 13:15-13:45 h | *Shorter vs longer implants in atrophic mandibles with vertical regeneration: the scientific evidence*  
**Dr. Marco Esposito | Italy**
- 13:45-14:00 h | **ROUND TABLE** Chairpersons: **Dr. Francisco Vijande** and **Dr. Miguel Peñarrocha** 
- 14:00-15:30 h | *Lunch break (free)* 

Friday 14th February

## PERIODONTOLOGY AND REGENERATION

- 15:30-16:00 h *Implants with unfavourable prognoses due to peri-implantitis: now what?* **Dr. Alberto Monje**
- 16:00-16:30 h *Changes at the level of the interproximal marginal bone in implants placed at the bone level and rehabilitated with direct-to-implant bridges designed by CAD-CAM or intermediate abutments. A randomised clinical study* **Dr. Juan Blanco Carrión**
- 16:30-17:00 h *Decision tree for the management of peri-implantitis* **Dr. Hom-Lay Wang | USA**
- 17:00-17:30 h *Integration of Periodontal Regeneration in the treatment of Stages III and IV Periodontitis*  
**Dr. Mariano Sanz Alonso**
- 17:30-17:45 h **ROUND TABLE** Chairpersons: **Dr. Antonio Bujaldón** and **Dr. Guillermo Machuca** 
- 17:45-18:15 h *Coffee break* 

## AESTHETICS

- 18:15-18:45 h *Reconstructive surgery through apical access in hard and soft tissue defects in aesthetic areas*  
**Dr. Ramón Lorenzo**
- 18:45-19:15 h *Patient expectations in aesthetic implant treatments* **Mr. Carlos de Gracia**
- 19:15-19:45 h *Trust, the main value in aesthetic dental treatment* **Dr. Alfonso Díaz Carrión**
- 19:45-20:15 h **ROUND TABLE** Chairpersons: **Dr. Arturo Sánchez** and **Dr. Lino Esteve** 
- 20:15 h *End of the programme* 

Saturday 15th February

### CURRENT STATE OF ORAL SURGERY

9:30-10:05 h	<i>Complications associated with the elevation of the maxillary sinus floor. How to treat and prevent them</i> <b>Dr. Rui Figueiredo</b>
10:05-10:40 h	<i>Short 6mm implants: Scientific evidence and clinical experience for more than 10 years</i> <b>Dr. Alberto Salgado</b>
10:40-11:15 h	<i>Zygomatic implants vs. bone regeneration in severe upper maxillary atrophy: clinical study results</i> <b>Dr. Ruben Davó</b>
11:15-11:30 h	<i>ROUND TABLE</i> Chairpersons: <b>Dr. Juan López Quiles</b> and <b>Dr. Abel García</b> 
11:30-12:00 h	Coffee break 

### CURRENT STATE OF ORAL SURGERY

12:00-12:40 h	<i>Anterior regeneration of severe maxillary atrophy</i> <b>Dr. Miguel Burgueño García</b>
12:40-13:10 h	<i>Sinus elevation role in the treatment of atrophic maxilla</i> <b>Dr. José Luis Cebrián</b>
13:10-13:45 h	<i>Updates in implant-based rehabilitation of oncology patients</i> <b>Dr. Carlos Navarro Cuellar</b>
13:45-14:00 h	<i>ROUND TABLE</i> Chairpersons: <b>Dr. Florencio Monje</b> and <b>Dr. Juan Antonio Hueto</b> 
14:00 h	Closing ceremony XI Evidence Congress. <b>Mr. Fernando Mozo</b> 

## Friday 14th February

\* English translation not available

8:00-18:00 h	Documentation hand-out
8:55-9:00 h	Prosthetics programme Introduction <b>Mr. Sebastián Montero</b>
9:00-9:45 h	<i>Planned obsolescence in dental prostheses; how it can be prevented</i> <b>Mr. Carlos Plata</b>
9:45-10:30 h	<i>The transformation from analogue to digital: change is no longer an option but a necessity</i> <b>Mr. José Vidal</b>
10:30-11:15 h	<i>Immediate loading... more than a temporary</i> <b>Mr. Javier Ortolá Dinnbier</b>
11:15-11:45 h	Coffee break 
11:45-12:30 h	<i>Occlusal schemes in implant prostheses</i> <b>Dr. María del Carmen Ramos Martínez</b>
12:30-13:15 h	<i>Passive fit, now a reality with good cad-cam protocols</i> <b>Mr. Íñigo García</b>
13:15-14:00 h	<i>Importance of the gingival structure in implant prostheses</i> <b>Mr. Luis Miguel Vera</b>
14:00-15:30 h	Lunch break (free) 
15:30-16:15 h	<i>BDT technique: Simplicity in aesthetic functionality</i> <b>Mr. Fernando Griffon</b>
16:15-17:00 h	<i>Precision, fit and longevity of prosthetic rehabilitations</i> <b>Ms. Josefa Güiles and Mr. Fernando Quintana</b>
17:00-17:45 h	<i>Fit and passivity in implant prostheses. Are there clinical repercussions?</i> <b>Dr. Ana Orozco</b>
17:45-18:15 h	Coffee break 
18:15-18:55 h	<i>Connections, materials and prosthetic designs</i> <b>Dr. Gonzalo Blasi</b>
18:55-19:35 h	<i>Strategies to improve the design of implant-retained and implant-supported prostheses</i> <b>Dr. Nuria Noguérón</b>
19:35-20:15 h	<i>Structural design in implant prosthetics</i> <b>Mr. Santiago Dalmau</b>
20:15 h	Prosthetics Programme closing ceremony <b>Mr. Manuel Velázquez</b> 

## Friday 14th February

\* English translation not available

**Chairperson: Dr. Aitziber Fernández**

8:00-18:00 h	Documentation hand-out
10:00-10:15 h	<i>Mineral oil lubricant effect for rotary instruments in osseointegration. Randomised, blind study in rabbits</i> <b>University of Murcia   Dr. Ana Belén Cano</b>
10:15-10:30 h	<i>Comparison of implants with standard transepithelial vs implants with transepithelial with a TCP design</i> <b>University of Santiago de Compostela   Dr. Lucía Maceiras</b>
10:30-10:45 h	<i>Aetiology, diagnosis, and treatment of peri-implant diseases</i> <b>University of Barcelona   Dr. Berta Cortés Acha</b>
10:45-11:00 h	<i>Abutment height effect in the microbiological profile and interproximal bone loss in dental implants: Randomised clinical trial</i> <b>University of the Basque Country   Dr. Teresa Gutiérrez Peña</b>
11:00-11:15 h.	<i>Immediate load in partially edentulous patients with Ticare Inhex Quattro® implants</i> <b>University of Barcelona   Dr. Marta Moragón</b>
11:15-11:45 h	Coffee break 
11:45-12:00 h	<i>Implants surface effect in patients with a history of periodontal disease. Randomised controlled clinical study</i> <b>Complutense University of Madrid   Dr. Benjamín Serrano Torrecilla</b>
12:00-12:15 h	<i>Changes in the level of interproximal marginal bone in implants placed at the bone level and rehabilitated with direct-to-implant bridges designed by CAD-CAM or intermediate abutments. A randomised clinical study</i> <b>University of Santiago de Compostela   Dr. Lucía Maceiras</b>
12:15-12:30 h	<i>Experimental study between the osseointegration of untreated, contaminated with lubricants, and photoactivated implants</i> <b>University of Murcia   Dr. Carlos Cachazo</b>
12:30-12:45 h	<i>Influence of GAP 0 in bone remodelling – assessment of bone remodelling using original abutments vs. compatible abutments</i> <b>University of the Basque Country   Dr. Borja Salazar Cantero</b>
12:45-13:00 h	<i>Extra short bone-level implants vs Tissue-level in posterior sectors. Randomised clinical study</i> <b>U. of Santiago de Compostela and Complutense U. of Madrid   Dr. Mercedes López Duran</b>
13:00-13:15 h	<i>Platform change effect in short implants (6mm): randomised, multi-centre clinical study with split mouth design</i> <b>Multi-centre Study   Dr. Alberto Monje and Dr. Gonzalo Blasi</b>
13:15 h	End of the Science Programme 

## Friday 14th February

\* English translation not available

8:30-16:30 h	Documentation hand-out
15:30-16:35 h	<i>Digital workflow in implant-based treatment of the anterior maxilla: from surgery to final restoration</i> <b>Dr. Tiago Borges</b>
16:35-17:45 h	<i>Digital workflow in implant-based treatment of the anterior maxilla: from surgery to final restoration</i> <b>Mr. Manuel Godino</b>
17:45-18:15 h	Coffee break ☕
18:15-20:00 h	<i>Digital workflow with iTero</i> <b>Ticare &amp; AMD</b>
20:00 h	End of the course 🙌

## Saturday 15th February

\* English translation not available

8:30-11:30 h	Documentation hand-out
9:25 h	<i>Course presentation: Dental clinic management: from the rational to the emotional side of things</i> <b>Mr. Alfonso Gadea</b>
9:30-11:30 h	<i>Financial-economic management for dental clinics</i> <b>Mr. Fernando Sicilia</b>
11:30-12:00 h	Coffee break ☕
12:00-14:00 h	<i>4 productive tips for your dental clinic</i> <b>Dr. Alberto Manzano</b>
14:00 h	End of the course 🙌

## Saturday 15th February

\* English translation not available

8:00-11:30 h	Documentation hand-out
9:25-9:30 h	Hygienist programme Introduction <b>Mr. Benedicto Rodríguez</b>
9:30-10:10 h	<i>Importance of the soft tissue around dental implants</i> <b>Dr. Alberto Fernández Ayora</b>
10:10-10:50 h	<i>Peri-implant diseases: diagnosis, prevention and treatment</i> <b>Dr. David Peñarrocha Oltra</b>
10:50-11:30 h	<i>Digital dentistry: ready for a new era?</i> <b>Dr. Jerónimo Rubio Roldán</b>
11:30-12:00 h	Coffee break ☕
12:00-12:40 h	<i>Concept evolution for a successful dental office: assistants and hygienists team as a key element in the process</i> <b>Mr. Jorge Zapata</b>
12:40-13:20 h	<i>Clinical findings of malignant and pre-malignant lesions in oral mucosa. The first step in evaluating dental implants</i> <b>Dr. Pablo Gutiérrez Torres</b>
13:20-14:00 h	<i>The polymedicated patient: Clinical management in everyday practice (for hygienists and dentists)</i> <b>Dr. Margarita Villota de Jorge</b>
14:00 h	End of Hygienists programme 🙌 Closing ceremony

**Dr. Pablo Domínguez Cardoso**

PhD in Dentistry Univ. of Seville. Specialist in Implant Prosthetics at the Complutense University of Madrid. Associate Professor of Oral Medicine Prosthetics at the Univ. of Seville. Professor of the Specialization in implant-supported Prosthetics at the Univ. of Seville. Professor of the Expert Programme on basic and advanced Implantology at the Univ. of Seville. Private practice in Seville.

**Mr. Manuel Izquierdo Gutiérrez**

Founder of the IGM Dental Prosthesis Laboratory. Lecturer for various courses on implants, micro milling, dental ceramics, structures ,and composites. Collaborator with GC IBERICA testing materials, teaching training courses, and providing technical support in the Canary Islands.

**Dr. Eduardo Crooke**

University degree in Dentistry. European University of Madrid. Specialised in Implantology at the University of Gothenburg, Sweden. Master's degree in Guided Surgery, Bone Grafting and Zygomatic Implants. Tutor in prosthetics and implant surgery. Founder of the Crooke Academy.

**Dr. Guillermo Pradíes**

PhD in Dentistry and Master's degree in Orofacial Prosthetics. Complutense University of Madrid. Titular professor and director of the Conservative Dentistry and Orofacial Prosthetics Department of the Complutense University of Madrid (UCM). Director of the university master's programme in "Restorative Dentistry based on new technologies" and the University diploma in "Clinical Implantology" at the UCM.

**Dr. Conrado Aparicio**

PhD in Biomechanical Engineering. Polytechnic University of Catalonia. Deputy Director of the Minnesota Dental Research Center for Biomaterials and Biomechanics (MDRCBB). Titular professor in the Dentistry Department. University of Minnesota.

**Dr. José Nart**

Head of the Oral and Maxillofacial Surgery Unit H.U. La Paz and Head of the Oral and Maxillofacial Surgery Service at the Departments at Quirón Salud Hospital Sur de Madrid and La Luz Clinic. European Board of Oral and Maxillofacial Surgery, Undergraduate degree in Dentistry. UEM. Chair of the Spanish Head and Neck Society (SECYC).

**Dr. Carlos Larrucea | Chile**

Dental Surgeon. Specialist in Oral Rehabilitation, Univ. of Chile. Master's degree in Sciences. Physiology focus, Univ. of Concepción .Full-time academic, Univ. of Talca. Director of Oral Rehabilitation Postgraduate degree with a focus on Implantology, Univ. of Talca.

**Dr. Marco Esposito | Italy**

PhD in Biomaterials and Associate Professor. University of Gothenburg. Editor of the Cochrane Oral Health Group. Editor in Chief of the European Journal of Oral Implantology.

**Dr. Alberto Monje**

Undergraduate degree in Dentistry. European University of Madrid, Spain. Master's degree in Periodontics from the Department of Periodontics and Oral Medicine at the University of Michigan (USA). Researcher with the Oral Surgery and Implantology department at the University of Bern, Switzerland.

**Dr. Juan Blanco Carrión**

Undergraduate degree in Medicine and Surgery. Univ. of Santiago de Compostela. Specialist in Stomatology. Master's degree in Periodontology. Complutense University of Madrid. PhD in Dentistry. Complutense University of Madrid. Director of the Master's in Periodontology and Director of the "Expert in Periodontology" diploma. Univ. of Santiago de Compostela. Ex-President of the European Federation of Periodontology.

**Dr. Hom-Lay Wang | USA**

Director of the Graduate Periodontal and Oral Medicine programme, U.Michigan. Member of the Scientific Oversight Committee, Annual meeting Task Force and Continuing Education Oversight Committee for the American Academy of Periodontology (AAP). Former Chair and Director of the American Board of Periodontology, Fellow of the American College of Dentists and fellow of the AO. Collaborates as Associate Editor of The International Journal of Oral & Maxillofacial Implants, International Journal of Oral Implantology Periodontology, Oral Surgery, Esthetic & Implant Dentistry Organization, eJournal of Oral & Maxillofacial Research. Founding Editorial board member of Clinical Advances in Periodontics. Editorial Board Member for the Journal of Periodontology, Clinical Oral Implants Research, International Journal of Periodontics & Restorative Dentistry, Journal of Clinical Periodontology and many more.

**Dr. Mariano Sanz Alonso**

PhD of Medicine and Specialist in Stomatology, Complutense University of Madrid. Professor of Periodontology, Co-Director of the Periodontology Master's Programme, Univ. Complutense. Specialist in Periodontology, Univ. of California, Los Angeles (UCLA), Complutense University of Madrid. PhD Honoris Causa from the Univ. of Gothenburg, Coimbra, and San Sebastián (Chile).

**Dr. Ramón Lorenzo**

Undergraduate degree in Dentistry from the European University of Madrid. European Board of Periodontology. Master's degree in periodontology and implants from the Complutense University of Madrid. Assistant professor of the Master's programme in Periodontology and Implants at the Complutense University of Madrid. Assistant professor of the Master's programme in Implants at the European University of Madrid.

**Mr. Carlos de Gracia**

Specialist in dental prosthetics, Honorary Member of the Casa Dental Hispánica, Honorary Member of ANTLO (Italy). Director of the "DIENART" Laboratory and Training Centre specialised in dental aesthetics. He has attended to numerous conferences. Master's "In Harmony with Nature". Speaker and presenter at various European universities. Lecturer for various courses within his specialisation.

**Dr. Alfonso Díaz**

Degree in Dentistry, Catholic University of Valencia. Superior Degree in Dental Prosthesis. Postgraduate in Oral Surgery, Prosthesis and Implant Dentistry, University Miguel Hernandez. Assisting member of ADA.

**Dr. Rui Figueiredo**

PhD in Dentistry, University of Barcelona, Advanced Studies diploma, Univ. of Barcelona. Associate Professor of Oral Surgery, Univ. of Barcelona. Professor at the Master's Programme in Oral Surgery and Orofacial Implantology, Univ. of Barcelona. Member of the IDIBELL biomedical research group.

**Dr. Alberto Salgado**

Undergraduate degree in Dentistry, Undergraduate degree with High Honours, Complutense University of Madrid. Master's degree in Surgery, Complutense University of Madrid. Master's degree in Implants, Complutense University of Madrid. Professor at the Master's in Implants at the Univ. Miguel Hernández. Advanced Studies diploma, Complutense University of Madrid.

**Dr. Ruben Davó**

PhD in Medicine and Surgery from the Univ. of Alicante, specialised in Oral and Maxillofacial Surgery, Ramón y Cajal Hospital, Madrid. Medical Director of the Vithas Davó Dental Institute, in charge of the oral and maxillofacial surgery unit and a leading international specialist in complex oral implantology. Attending physician in the Oral and Maxillofacial Surgery Unit, Barcelona University Hospital and Clinic.

**Dr. Miguel Burgueño García**

PhD in Medicine. Autonomous University of Madrid. Specialist in Oral and Maxillofacial Surgery. Head of the Oral and Maxillofacial Surgery Service at Hospital de La Paz. Associate professor at the Surgery Department at the Autonomous University of Madrid. European Board of Oro-Maxillo-Facial Surgery.

**Dr. José Luis Cebrián**

PhD in Medicine and Surgery. UAM. Specialist in Oral and Maxillofacial Surgery. Head of the Oral and Maxillofacial Surgery Unit H.U. La Paz and Head of the Oral and Maxillofacial Surgery Service at the Departments at Quirón Salud Hospital Sur de Madrid and La Luz Clinic. European Board of Oral and Maxillofacial Surgery, Undergraduate degree in Dentistry from UEM. Chair of the Spanish Head and Neck Society (SECYC).

**Dr. Carlos Navarro Cuellar**

PhD in Medicine and Surgery from the Complutense University of Madrid. Specialist in Oral and Maxillofacial Surgery. Head of the Oral and Maxillofacial Surgery Service Unit at Gregorio Marañón University Hospital, Madrid. Undergraduate degree in Dentistry from the European University of Madrid. Associate Professor of Medicine at the Complutense University of Madrid. Fellow of the European Board of Oro-Maxillo-Facial Surgery (EBOMFS).

**Mr. Carlos Plata**

Specialist technician in Dental Prosthetics by Aynadamar School of Granada. Specialization in implants in 1999 at the Fernández Arenas de Linares Laboratory. Specialization in Naturalness and Aesthetics in ceramics with Mr. Antonio Maroto.

**Mr. José Vidal**

Specialist technician in dental prosthetics. Specialists in Aesthetics and Implants. Master's degree in digital workflow. Master's degrees and courses in aesthetics and implantology. Lecturer specialised in digital workflow and new technologies. Manager and owner of ProArt Dental S.L.

**Mr. Javier Ortolá Dinnbier**

Specialist technician in Dental Prosthetics by the Juan Badal March School. Master's degree on Expert in Combined Prosthetics and Implantology by the Polytechnical University of Valencia. Master's degree in Dental Ceramics and Prosthetic Protocols at Centre Odontologic de les Valls d'Andorra. Collaborator of the Department of Oral Surgery at the University of Valencia. Collaborator of the Master's degree of Oral Surgery and Implantology at the University of Valencia. Collaborator with the CEU Cardenal Herrera University of Valencia.

**Dr. María del Carmen Ramos Martínez**

Graduate in Dentistry, University of Granada. Teacher in the Degree of Dentistry at UCAM. Teacher of the class of Prosthetics at the Catholic University of Murcia. Expert in Multidisciplinary Aesthetic Implantology. International University of Andalusia. Expert in implant periodontology. University of Almería.

**Mr. Íñigo García**

Dental Technician qualified since 1992. Specialist in implant-supported, prosthetics, aesthetics and CAD-CAM technology. He has expanded training with Manuel Oliver, Manuel Ruíz, August Bruguera, Jon Gurrea, Nondas Vlachopoulos, Antonio Saiz-Pardo, Ryo Miwa, Mitsutaka Fukusma, etc. Member of the Biological Occlusion Studies Group of Spain (GEOBE). Owner and director of the dental laboratory Iñigo García, with Trios Ready certification.

**Mr. Luis Miguel Vera**

Specialist technician in dental prosthetics at Centro "Antonio de Solís", Seville. Master's degree in Ceramics and Implantology at Centro "Antonio de Solís", Seville. Master's degree in Oral Implantology at Centro "Ceprovic", Madrid.

**Mr. Fernando Griffon**

Dental prosthetics. Specialist in personalised removable, fixed and implant-supporting prosthetics. Specialist in Biohpp prosthetics (peek). Course on the personalisation of gums given by Francisco Troyano. Course on the personalisation of gums and teeth with Crealign composite, given by Mario Parra. Course on prosthetics over implants, given by Javier Perez.

**Ms. Josefa Güiles**

Quality Department Director of Ticare. Degree in Industrial Engineering. Master in Quality Management and Systems. Responsible for Quality Systems in multinational companies in sectors such as automotive, food, public sector and especially in the health sector.

**Mr. Fernando Quintana**

Engineer Department Manager of Ticare. Superior Industrial Engineer by the University of Valladolid, specialised in Mechanics and Intensification in Machines and Master's degree in optimisation of mechanised processes. He has more than 13 years of experience in the implantology sector.

**Dr. Ana Orozco**

Doctor in Dentistry from the University of Seville University. Expert in Prosthetic Implants. University of Seville. Associate Professor of Stomatological Prosthesis and Professor of the Specialisation degree in Prosthetic Implants at University of Seville. Expert Professor in Basic and Advanced Implantology at the University of Valencia.

**Dr. Gonzalo Blasi**

Masters in Periodontics and Implants and Master of Science in Oral and Craniofacial Biology at University of Maryland Baltimore. In 2016 he received the Richard Lazzara fellowship award from the American Academy of Periodontology Foundation. Professor in the Department of Periodontology at the University of Maryland Baltimore and an associate professor in the Department of Periodontics at the International University of Catalonia UIC.

**Dr. Nuria Noguerón**

Graduate in Dentistry, Doctor in Dentistry and Postgraduate in Oral Rehabilitation and Maxillofacial Prosthesis by the Univ. of Barcelona. Professor of the Master's degree of Integrated Adult Dentistry at the University of Barcelona. Specialisation courses in Oral Rehabilitation, Kosis Center (Seattle).

**Mr. Santiago Dalmau**

Dental prosthetics by Dental Tecknic Gnathology German Institute. Technical director of different laboratories for more than 25 years. Speaker in Occlusion classes and master's degrees in aesthetics and periodontology at UEM and different master's degrees of the Complutense University of Madrid. Professor of implant-supported prosthetics of the master's degree in implantology at the European University.

**Dr. Alberto Fernández Ayora**

Graduate in Dentistry University of Granada. Master's degree in periodontology and oral surgery. University of Liège, Brussels. Master's degree in dental research, University of Granada, guest post-graduate professor in national and international universities. Private practice in Almería.

**Dr. David Peñarrocha Oltra**

Graduate in Dentistry, Univ de València, (Extraordinary Bachelor's degree Award). Master's degree in Oral Surgery and Implantology, University of Valencia. Doctorate in Dentistry with International Major, University of Valencia (Extraordinary Doctorate Award). Assistant Professor Doctor in Oral Surgery and Coordinator of University Experts in Implantology, University of València.

**Dr. Jerónimo Rubio Roldán**

Doctor by the University of Granada. Expert in Periodontology by University of Granada. Master's degree in Periodontology and Implants by University of Granada. Master's degree in Occlusion and Prosthodontics by New York University. E.S.O.R.I.B. Professor of the Master's degree in Periodontology and Implants by University of Granada. Director of Rubio & Dovado Clinic.

**Mr. Jorge Zapata**

Ticare Market Analyst, Trainer and Regional Director in Andalucía, Spain. He has more than 12 years experience in dentistry field. Before he was working for 15 years in the image industry, design and marketing.

**Dr. Pablo Gutiérrez Torres**

Professor of the Master's degree in Oral Medicine at the University of Seville. Associate Professor of Oral Medical Pathology and Therapy at Universidad Alfonso X El Sabio in Madrid. University Master's degree in Oral Medicine by the University of Seville. Doctor in Dentistry by the University of Seville. University Diploma in Complementary Training in Oral Implantology by the University of Seville. Graduate in Dentistry by Universidad Alfonso X El Sabio.

**Dr. Margarita Villota de Jorge**

Graduate in Dentistry by the European University of Madrid. Master's degree in Oral Surgery and Implantology by Hospital Fundación Jiménez Díaz. Fellowship in Periodontology & Implantology at NYU (New York, USA) Master's degree in Periodontology and Implantology at NYU (New York, USA) Course in Advanced Periodontology at the clinic of Dr. Carlo Tinti. Professor at the European University of Madrid.

**Mr. Fernando Sicilia**

Graduate in Economic and Business Sciences by the University of Oviedo. Diploma in Business Studies by the University of Bradford (United Kingdom). Master's degree in Financial Analysis by the Carlos III University of Madrid Diploma in Options, Futures & Other Financial Derivatives by the London School of Economics & Political Science. Managing Director of Clínica Sicilia. Master's degree in Economic-Financial Management by CEF-UDIMA.

**Dr. Alberto Manzano**

Founder and CEO of Plan Synergia, the ethical dental office. Executive Programme in Management and Marketing for dental clinics. Member of the Mediterranean Marketing Club. Consultant for dental clinics. Director of the Diploma in Management and Direction of Dental Clinics. Trainer in different successful schools and companies: Ticare, University of Valencia, European School of Oral Rehabilitation, Biomaterials and Implantology, European University of Valencia.

**Dr. Tiago Borges**

Doctorate in Oral Surgery and Odonto-Stomatology by the Faculty of Medicine (University of Salamanca). Specialist in Oral Surgery by the Order of Dental Doctors (OMD). Graduate in Oral Medicine by the OMD. Graduate in Dental Medicine by the Faculty of Dentistry (University of Porto). Postgraduate in Oral Implantology by the University of Santiago de Compostela. Diploma of Advanced Studies in Odonto-Stomatology by the University of Santiago de Compostela. Master's degree in Dental Medicine of the Catholic University of Portugal. Coordinator of the Postgraduate degree in Oral Surgery at the Catholic University of Portugal. Oral and Maxillofacial Surgery Course by the University of Illinois (Chicago, USA).

**Mr. Manuel Godino**

Technician specialised in digital design. Technician specialised in micro reaming and handling of CAM by 3DBiotech. Expert with Exocad certificate from 3DBiotech leading company in 2014 Dental Cad software. Consultant in renewing laboratories to new technologies.

XI IMPLANTOLOGY CONGRESS

# Scientific evidence for everyday practice

14th and 15th February 2020 | TeatroGoya Multiespacio | Madrid | Spain

Information and registration

## GOYA THEATRE

C/ Sepúlveda, 3, 5  
28011 Madrid

TeatroGoya Multiespacio is the new avant-garde icon of Madrid, a unique space which houses important conferences in the healthcare sector. **Located on the banks of the Manzanares river and just 10 minutes from the Puerta del Sol plaza, it has an exceptional location in the recently renovated Madrid River area.** This convention centre is located in the place that used to be La Quinta del Sordo, lived in by the painting genius Francisco de Goya.

TeatroGoya®  
MULTIESPACIO

TeatroGoya Multiespacio **is easy to access from the M-30** and has its **own large car park**. In order to arrive by public transport, it has both a metro station nearby and a bus stop.

### ACCESS BY PUBLIC TRANSPORT

#### Metro (Nearest tube station: Puerta del Ángel)

From Plaza de Toros de Las Ventas, Madrid · **47 min.**

From Prado Museum, Madrid · **41 min.**

From Plaza de Cibeles square, Madrid · **33 min.**

From Puerta del Sol, Madrid · **31 min.**

From Distrito Telefónica, Madrid · **51 min.**

From Madrid - Chamartín Station, Madrid · **32 min**

#### EMT Bus

From Plaza de Toros de Las Ventas, Madrid · **47 min.**

From Prado Museum, Madrid · **41 min.**

From Plaza de Cibeles square, Madrid · **33 min.**
